## FOR IMMEDIATE RELEASE

Longmont Based Architecture firm, [F9 Productions Inc.](#), Wins 2024 Best of Mile High Award for Best Architecture Firm making them back to back winners!

F9 Productions is an architecture firm specializing in custom single family, multifamily, and commercial buildings and is proud to announce that it has AGAIN been awarded the Best of Mile High Award for Best Architecture Firm. The award recognizes F9 Productions' commitment to excellence in architecture and design, as well as its exceptional contributions to the local community.

The Best of Mile High Awards is an annual program that recognizes businesses in the Denver Metropolitan Area that have demonstrated exceptional service and excellence in their respective industries. Winners are selected based on a variety of criteria, including customer reviews, industry expertise, and overall reputation.

“Winning this distinguished award for the second consecutive year is both exhilarating and humbling,” stated Alex Gore, Co-Founder and Architect at F9 Productions. “It reinforces our commitment to pushing the boundaries of design while focusing on providing our clients with the best service possible. This accolade reflects the relentless passion and innovative spirit of our entire team.”

F9 Productions' award-winning architecture has been featured in numerous publications, including Dwell, Modern in Denver, Builder Magazine, ArchDaily, and Cosmopolitan. The firm has also received several other awards and recognitions, including the NDSU Horizon Award, Fastest Growing Private Company in the Boulder Valley Tier III, and an Architizer A+ Award for the Architecture + Living Small category.
